### NRNA Women Forum 2016 Continuation of the Uterus Prolapse Project of 2014/2015

Dear friends,

The NRNA women coordinator team of Switzerland decided to continue to support the NRNA ICC's Uterus Prolapse Project. The financial support campaign for this project is based on the motto:

#### Raising donations of CHF 1.00 per person per month

According to the 03.09.2015 report of Sapila Rajbhandari, NRNA ICC women coordinator, the project had till then established three camps, two in Far West and one in the East of Nepal, examining and testing a total of six hundred women and operating around one hundred of them. The total expenses for these camps amount to NRP 1'060'000. As there is still a big need for this activity, NRNA ICC Women Forum decided to continue with it also in 2016.

Instead of paying CHF 1.00 per month we suggest to contribute it in a single payment, the amount "according to your heart".

If possible the payment should be done via bank-transfer in order to minimize our costs (please send it with the remark: **Uterus Prolapse Project**),

to the account: **IBAN CH74 0900 0000 8549 7960 9**
